# MODEL 250 SLIDING LADDER RACK

# INTERIOR LADDER STORAGE MADE FAST AND EASY

- **Fast & easy ladder storage.**
- **Keep ladders securely stored and off the floor.**
- **Accepts up to an 8' step ladder, extension ladder or multi-position ladder.**
- **Designed for internal roof or side mounting.**

## Fast and easy ladder storage

- *Inside your cargo van* • *Pickup truck with metal cap* • *Enclosed trailer* • *Box truck*

- 1 Universal mounting bracket- Adjusts to different vehicles.
- 2 Roof mounting brackets- Easy installation.
- 3 Tension cord guide- Prevents cords from tangling.
- 4 Adjustable rail length- Accepts up to an 8 foot ladder.
- 5 Side mounting brackets- Stores ladders vertically.
- 6 Front cradle- Adjusts to different ladder types.
- 7 Unique tension locking system- No straps, latches or buckles required.
- 8 Adjustable rear mounting bracket- Holds ladders in place.
- 9 Safety cable- Secures ladder in place.

**1. Place the top of the ladder into the front cradle assembly.**

2. **Slide the ladder forward along the rail.**
3. **Engage ladder to the rear mounting bracket... you're ready to go.**
