

ECO-50AK

Standard equipment includes Auto Chuck cutter holder, carrying case, safety chain, carabin hook and allen keys.

Cutter capacity up to 2" dia., stroke: 6"

Twist drill capacity up to 7/8" dia., stroke: 5"

With a 3/4" chuck (Part No. IBK-22) or MT2, these models easily convert to standard drill presses with a 5" stroke for conventional twist drills.
